## WELCOME

Welcome everyone. This will mark our 41st year of Thompsons Gymnastics. Our goal here is to provide a safe and fun environment for students while teaching them the valuable sport of gymnastics. Even during the pandemic, we strive for this goal and continue to adapt to changes in order to keep everyone happy and healthy.

### SESSIONS AND PAYMENTS

Just like last year, we have adapted a 3 sessions structure during the school year. Each session will consist of 12 weeks of classes. Dates for these session are:

Fall 8/30/2021-11/22/2021

Winter 11/29/2021-03/05/2022

Spring 03/05/2022-05/28/2022

We will also continue with our rolling enrollment method from last year as well. Once enrolled in class your child is enrolled for the year (unless you notify the office in writing). Auto payments will occur 2 weeks before the next session. Full payment is due by the first day of the session.
