

SUMMER OF FUN

Thompsons Summer Girls PreTeam Program 2022 July & August

We want to continue the momentum that the gymnasts have been building this year so we plan to continue to offer weekly evening practices to allow them to continue to progress their skills, participate in team building activities, have some fun and prepare them for fall session. The practice schedule is listed below.

We will place ALL gymnasts who are currently enrolled in Rising Stars and Mighty Mites in their current program for July and August practices. There are no makeups available during the summer. Tuition will reflect the summer schedule hours.

Each gymnast who attends these summer programs will receive a Thompsons summer t-shirt. Please return the form below to let us know if you are unable to attend one or both months or to indicate what t-shirt size you would like for your gymnast that is attending.

Please let us know by May 16th so that we can put in our t-shirt order.
Classes will be held based on enrollment.
